

# INDIAN LAKE SNOWWARRIORS

## Agenda

#### 2018 Snocade recap

- **Time Trials** were held on Lake Adirondack from 11am-3pm on Saturday February 17<sup>th</sup>. Approximately 25-30 riders from all corners of the state came and ran our quarter mile course.

Special thanks to all that helped with preparation, setup, food and documentation. Next year will only be better as we get word out to the snowmobile community

- **Potato Bake** was held on Friday night 2/23 at the American Legion Hall. This was a huge success as we served over 100 potatoes or approximately double last year's turnout. This was considering poor weather which kept tourist numbers down. Next year we may need a bigger venue.... Special thanks for all who helped prepare and serve our diners.
- **Snowmobile Safety Class** was held at Byron Park on Friday 2/23 by Patricia Ryan-Curry. Thanks to all involved
- **Meet and Greet** trailside scheduled for Saturday 2/24 was unfortunately cancelled due to Blue Mountain trail being closed.

#### Grooming

Grooming has been light all winter as snow volume and warm temps did not warrant more regular grooming until March storms hit. Groomer was sidelined for couple of weeks with a blown bearing and related bogey wheel and axle damage. Fortunately, Ed B and Jaimie were able to repair the groomer on Saturday 3/24, now if we could only get some late season snow.

#### Community Service

You may have seen Darrin's piece on IL Snow about our providing Neil Luckhurst and his team of hikers transport by snow machines so they could complete their quest to climb the ADKs 100 highest mountains in the winter season. This was quite a feat, but I felt it was important for the Snowwarriors to be involved as it shows the bond of outdoorsmen that snowmobiling has a place in. Check out Neil's blog at
